**CELEBRATING GROWTH,
HEALING, & BRIGHT FUTURES**

Across the Globe

 **Lebanon:** Women gathered for a Christmas lunch where the story of Christ's birth was shared, creating moments of joy, connection, and spaces where trust and healing can grow.

 **Guatemala:** Kids Alive Guatemala welcomed Supreme Court Justice Flor de María Gálvez Barrios to Oasis, highlighting growing partnership with the justice system and trauma-informed care that supports healing and dignity.

 **Kenya:** Weekly mentorship and caregiver support at Karundas Hope Center are strengthening families and creating safe, hope-filled spaces for children to grow and thrive.

 **Zambia:** Kids Alive Academy began the new year with growing classrooms and advancing students, celebrating milestones that reflect safe learning environments where children thrive academically, emotionally, and in faith.

 **Haiti:** Students celebrated Christ's birth through joyful moments of togetherness, experiencing restorative education that surrounds them with love, stability, faith, and renewed hope for the future.

 **Peru:** Kids Alive Peru launched a new partnership with local education authorities to train schools in violence prevention and resilience-building, creating safer environments where adolescents can thrive.

This season was marked by powerful moments of joy, trust, and renewed hope across Kids Alive communities, as children and families experienced belonging, celebration, and the steady presence of care. Through growing relationships, healing-centered spaces, and meaningful partnerships, lives are being strengthened and futures made safer—reminding us that when love shows up consistently, transformation follows.

A Place to Gather, Rest, and Belong

Lebanon

LEBANON

This Christmas, women gathered for a shared lunch where the story of Christ's birth was brought to life—creating space for reflection, joy, and connection. Through time spent together, simple celebrations, laughter, and a shared meal, the women experienced a moment of rest, belonging, and care.

Moments like these—marked by presence and genuine connection—help create environments where **trust can grow and hearts can feel safe.**

KENYA

Kenya LOVE SHOWS UP EVERY SATURDAY

Karundas Hope Center Mentorship Program

Love that creates safety shows up every Saturday in Kenya.

At Karundas Hope Center, children gather for weekly mentorship, devotions, counseling, and community—while caregivers are being equipped with tools for healing and stronger homes.

As some of our longtime students transition to high school, a new Guardians' Forum 2026 was held to enroll children from vulnerable families and ensure the continuity of this life-giving program.

When caregivers lean in and communities rally together, love becomes protection, and mentorship becomes a pathway to lasting hope.

ZAMBIA

A new year. New milestones. And so much hope ahead.

At Kids Alive Academy in Zambia, 2026 is off to a beautiful start—welcoming 34 nursery students into the classroom for the very first time and celebrating 414 learners advancing to the next grade after passing their end-of-term exams.

Each number represents more than academic progress. It reflects safe classrooms, nourishing meals, trauma-informed care, and teachers who walk patiently with children as they grow in confidence, faith, and resilience.

This year, we're praying for continued growth, joyful learning, and lasting transformation—for exam success, creativity, laughter, and holistic support that helps every child shine brighter. Because when love creates safety, learning can flourish.

GUATEMALA

Kids Alive Guatemala welcomed Flor de María Gálvez Barrios, sitting Justice of Guatemala's Supreme Court, to Oasis Vida para Niños.

The visit—held following the signing of a Memorandum of Understanding with Guatemala's Judicial Branch—offered an opportunity to see firsthand how comprehensive, trauma-informed care supports girls on a path toward healing, dignity, and hope. Justice Gálvez Barrios met with Kids Alive leadership, toured the Oasis campus, and learned more about the multidisciplinary care that surrounds each child.

Her presence reflects growing trust and collaboration between Kids Alive Guatemala and the national justice system—an important step forward in advancing restorative, child-centered justice across the country.

This is Justice that Heals in action.

HAITI

Students at Kids Alive School in Haiti gathered to celebrate the greatest gift of all—Jesus coming to dwell among us, opening the way for new life in Christ and welcoming us into a global family of faith.

Through laughter, sharing, and moments of pure joy, children were reminded that they are seen, loved, and surrounded by hope.

At Kids Alive Haiti, restorative education wraps children in stability, care, and the love of Christ—creating spaces where smiles return, faith grows, and hope for the future takes root.

Because when love shows up consistently, joy follows.

STRENGTHENING SAFER SCHOOLS IN PERU

Advancing Child Protection Through Education

We're celebrating a new cooperation agreement between Kids Alive Perú (Niños a la Vida) and the Local Education Management Unit (UGEL) of Coronel Portillo – Ucayali, strengthening shared efforts to prevent violence and protect adolescents within public schools.

Through this partnership, teachers and school leaders in Yarinacocha will be trained in Jugando Nos Fortalecemos (“Strengthening Through Play”)—a participatory approach that builds self-protection skills, encourages healthy relationships, and supports early identification of risk.

By working hand in hand with education authorities, **Kids Alive International is helping equip educators as key agents of change**—creating safer, more resilient schools where adolescents can learn, grow, and live free from violence.

THIS IS PREVENTION IN ACTION. JUSTICE THAT HEALS. RELATIONSHIPS THAT RESTORE.
